

## SUPERIOR ENZYMES™

>> 90 TABLETS | 0300340.090

**SUPPORTS HEALTHY DIGESTIVE TRACT  
FUNCTION & NUTRIENT ABSORPTION\***

**CONTAINS 10 DIGESTIVE ENZYMES**

>> The enteric coating used in **Superior Enzymes™** releases the proper enzymes at the correct digestive intervals for maximum activity.\*

### Superior Enzymes™ is:

- ✓ One of the most comprehensive enzyme supplements available today.\*
- ✓ A broad-spectrum multiple enzyme formulation that contains 7 digestive enzymes along with ox bile, pancreas substance and betaine hydrochloride.

### Digestive enzymes are beneficial for:

- ✓ Geriatric individuals (as we age, enzyme secretion decreases)\*
- ✓ Those with jaw or teeth problems (improper chewing of food decreases enzyme secretion)\*
- ✓ Those under stress\*
- ✓ Those who overuse antacids (overuse of antacids can decrease enzyme effectiveness and secretion)\*
- ✓ Those who eat a lot of fried, grilled or baked foods (foods prepared at high temperatures for long periods of time lose naturally occurring enzyme activity)\*
- ✓ People with deficient digestive enzymes (those who lack digestive enzymes are more prone to digestive problems)\*
- ✓ For use as a proteolytic enzyme supplement\*
- ✓ **Superior Enzymes™** places special emphasis on proteolytic enzymes, so that it can be used not only for digestive support, but also to support comfort and provide building blocks for injured tissues.\*
- ✓ Digestive enzymes are secreted along the G.I. tract and are essential to the breakdown of foods, enabling nutrients to be absorbed into the bloodstream for use within the body.

### Each enzyme in **Superior Enzymes™** works on a specific substance in the body.

- ✓ **Lipase enzymes** help digest and assimilate fats.\*
- ✓ **Protease enzymes** including bromelain, pepsin, trypsin and papain all digest proteins into smaller units (peptides and amino acids) for better absorption and utilization.\*
- ✓ **Ox Bile** aids in fat digestion by emulsifying fats in the small intestine for fat absorption.\*
- ✓ **Amylase enzymes** breakdown carbohydrates.\*
- ✓ **Cellulase enzymes** digest fiber.\*
- ✓ **Betaine Hydrochloride** provides a source of hydrochloric acid, which is not considered a digestive enzyme, but is necessary for the proper function of enzymes.

### Enteric coated

- ✓ Ox Bile and Pancreas Substance are enteric coated to ensure their release in the body at the proper digestive interval.

### Supplement Facts

**Serving Size 1 Tablet**  
**Servings Per Container 90**  
**Amount per Serving**

	<b>% Daily Value</b>
Calcium (as Ca Sulfate) 50 mg	50%
Pepsin (3,000 FCC/mg) 50 mg	*
Bromelain (120 GDU/g) 50 mg	*
Ox Bile 30 mg	*
Pancreas Substance 200 mg	*
Papain (2,000 USP/mg) 50 mg	*
Pancreatin (8x) 50 mg	*
Yielding: Protease (200 USP/mg)	
Amylase (200 USP/mg)	
Lipase (16 USP/mg)	
Cellulase Enzymes (4,000 CU/g) 10 mg	*
Betaine Hydrochloride 100 mg	*

\*Daily Value not established.

Other ingredients: microcrystalline cellulose, vegetable stearate, stearic acid, croscarmellose sodium, silica, pharmaceutical glaze.

**Warning:** If you are pregnant or nursing, consult your healthcare practitioner before taking this or any nutritional product.

**Suggested Use:** As a dietary supplement, take 1 tablet with each meal.
