SUPPORTS JOINT HEALTH, MOBILITY & COMFORT*

PERNA MUSSEL

Sea Mussel™ is a combination of pure, freeze-dried Green-Lipped Mussel (Perna canaliculus) from New Zealand. Perna is a potent source of amino acids, protein, naturally chelated minerals and glycosaminoglycans (GAGs) including Chondroitin -4- and -6- Sulfates.* Sea Mussel™ supports the health, comfort, flexibility and hydration of synovial fluid and connective tissues including joints, ligaments, tendons, cartilage and intervertebral discs.*

About Sea Mussel™

Sea Mussel™ is a Perna canaliculus (New Zealand Green-Lipped Mussel) supplement that provides key building blocks to support the structural integrity and maintenance of joints, ligaments and tendons.* Perna canaliculus is an edible species of shellfish indigenously found off the pristine shores of New Zealand. Research over the past 20 years has shown that the perna mussel contains a combination of powerful components that help benefit joint structure and integrity, which isolated components do not provide.* Natural constituents:

✓ Amino Acids (essential and non-essential) to support the growth and development of all bodily tissues*
✓ Branched-chain amino acids (valine, isoleucine and leucine) used to provide energy directly to muscle tissue*
✓ Naturally chelated minerals (for maximum bioavailability) to support the production of collagen, GAGs, proteoglycans, antioxidants and enzyme activity, and to support bone and skeletal health*
✓ Omega 3, 6 and 9 fatty acids to support joint and skin health, immune system function, and to help regulate metabolic functions*
✓ Naturally occurring glucosamine to support the production of GAGs and integrity of the synovial fluid*
✓ Chondroitin Sulfates and Protein Factors that work synergistically to regulate the immune response and to neutralize the effects of destructive proteolytic enzymes*
✓ Chondroitin Sulfates to support comfort, improve joint lubrication, elasticity and vasculature*
✓ Hyaluronic Acid to enhance the production of proteoglycans, support synovial fluid, lubricate connective tissue cells, and function as a lubricant between the connective tissues of the skin to retain moisture*

Recommended for:
✓ Supporting full range of motion*
✓ Joint flexibility*
✓ Joint lubrication*
✓ Joint discomfort*
✓ Strains*
✓ Sprains*

Supplement Facts
Serving Size 2 Capsules
Servings Per Container 90
Amount per Serving
Perna canaliculus (Green-Lipped Mussel) 1000 mg *
Alfalfa (Medicago sativa) Herb Powder 200 mg *

*Daily Value not established.

Other ingredients: vegetable cellulose (capsule), cinnamon (Cinnamomum cassia) oil.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

Suggested Use: As a dietary supplement, take 2 capsules, 3 times daily with food for 2 to 4 weeks, then reduce to 1 capsule with meals, 3 times daily.
