

SEA MUSSEL™

SUPPORTS JOINT HEALTH, MOBILITY & COMFORT*

PERNA MUSSEL

>> **Sea Mussel™** is a combination of pure, freeze-dried Green-Lipped Mussel (*Perna canaliculus*) from New Zealand. Perna is a potent source of amino acids, protein, naturally chelated minerals and glycosaminoglycans (GAGs) including Chondroitin -4- and -6- Sulfates.* **Sea Mussel™** supports the health, comfort, flexibility and hydration of synovial fluid and connective tissues including joints, ligaments, tendons, cartilage and intervertebral discs.*

About Sea Mussel™

✓ **Sea Mussel™** is a *Perna canaliculus* (New Zealand Green-Lipped Mussel) supplement that provides key building blocks to support the structural integrity and maintenance of joints, ligaments and tendons.*

Perna canaliculus is an edible species of shellfish indigenous found off the pristine shores of New Zealand. Research over the past 20 years has shown that the perna mussel contains a combination of powerful components that help benefit joint structure and integrity, which isolated components do not provide.*
Natural constituents:

- ✓ **Amino Acids** (essential and non-essential) to support the growth and development of all bodily tissues*
- ✓ **Branched-chain amino acids** (valine, isoleucine and leucine) used to provide energy directly to muscle tissue*
- ✓ **Naturally chelated minerals** (for maximum bioavailability) to support the production of collagen, GAGs, proteoglycans, antioxidants and enzyme activity, and to support bone and skeletal health*
- ✓ **Omega 3, 6 and 9 fatty acids** to support joint and skin health, immune system function, and to help regulate metabolic functions*
- ✓ **Naturally occurring glucosamine** to support the production of GAGs and integrity of the synovial fluid*
- ✓ **Chondroitin Sulfates and Protein Factors** that work synergistically to regulate the immune response and to neutralize the effects of destructive proteolytic enzymes*
- ✓ **Chondroitin Sulfates** to support comfort, improve joint lubrication, elasticity and vasculature*
- ✓ **Hyaluronic Acid** to enhance the production of proteoglycans, support synovial fluid, lubricate connective tissue cells, and function as a lubricant between the connective tissues of the skin to retain moisture*

Made with Non-GMO ingredients

Recommended for:

- ✓ Supporting full range of motion*
- ✓ Joint flexibility*
- ✓ Joint lubrication*
- ✓ Joint discomfort*
- ✓ Strains*
- ✓ Sprains*

Supplement Facts

Serving Size 2 Capsules

Servings Per Container 90

Amount per Serving	% Daily Value
<i>Perna canaliculus</i> (Green-Lipped Mussel) 1000 mg	*
Alfalfa (<i>Medicago sativa</i>) Herb Powder 200 mg	*

*Daily Value not established.
