

## BEHAVIOR BALANCE-DMG™

**SUPPORTS BALANCED BEHAVIOR, SOCIAL INTERACTIONS, & HELPS  
MANAGE STRESS\***

**GREAT TASTING LIQUID**

- » **\*MADE WITH NON-GMO INGREDIENTS**
- » **GLUTEN FREE & VEGETARIAN**

**Behavior Balance-DMG™** Liquid is an advanced, supplement that combines our N,N Dimethylglycine (DMG) with Betaine, Folic Acid, Vitamins B6 and B12, Zinc and Magnesium in a great tasting, natural tropical punch flavored liquid.

**Recommended to support:**

- ✓ Balanced behavior and socialization skills\*
- ✓ Stress coping mechanisms\*
- ✓ Mental clarity\*
- ✓ Immune system functions\*

**Behavior and Social Skills Support\*:**

- ✓ **Dimethylglycine (DMG)** has been reported to modify and improve behavior, eye contact, social interaction, verbal skills, mental alertness, brain function and may reduce lethargy.\* It is a precursor to many amino acids and neurotransmitters that aid in brain and nerve function.\*
- ✓ **Betaine (trimethylglycine)** helps support behavior, increased social interaction, circulation, normalize amino acid metabolism and liver protection from fat deposits.\* Betaine is a precursor to DMG.
- ✓ **Vitamin B6** supplementation may support a positive impact on behavior, better eye contact, less involuntary physical action and more interest in participation.\*
- ✓ **Folic acid** helps in the metabolism of the amino acids used by the brain.\*
- ✓ **Vitamin B12** supports proper sleep patterns and production of the neurotransmitter acetylcholine, which assists in memory and learning.\*

**Stress Management and Mental Clarity:**

- ✓ **Magnesium** is a mineral that supports cognitive function and is essential for normal brain and nervous system functions.\*

**Immune System Support\*:**

- ✓ **DMG** helps the body adapt to various forms of stress and supports the immune system.\* Three U.S. Patents on DMG have been awarded to FoodScience® based on 20 years of extensive research into the benefits on DMG.
- ✓ **Zinc** supports a healthy immune system and helps fight the formation of free radicals.\*

**Supplement Facts**

**Serving Size 7.5 ml (approximately 1/2 Tablespoon)**

<b>Amount per Serving</b>
