>> 20 SERVINGS • NET WT: 100 G (3.53 OZ) | 0300420.100

### SUPPORTS HEALTHY IMMUNE SYSTEM & GI TRACT\*

4,250 MG PER SCOOP

>> **Arabinogalactans** from Larch trees are water-soluble polysaccharides that promote the growth of probiotic bacteria such as Lactobacilli and Bifidobacteria in the intestines, which are important for GI tract health.\* The Larch Tree Extract powder in this product is ImmunEnhancer™ AG from Larex, Inc.

#### Arabinogalactans from Larch Tree Extract:

- ✓ Are a good source of fiber\*
- ✓ Have a variety of beneficial effects on the body\*
- ✓ Help balance the immune response\*
- ✓ Are 2 times more potent than Echinacea\*
- ✓ Support the growth of friendly probiotic bacteria\*
- ✓ Support colon health\*
- ✓ Are hypoallergenic\*

#### Recommended for: Immune System Support

- ✓ Arabinogalactans support a balanced immune response and insulin levels within normal ranges.\*
- ✓ Arabinogalactans support immune cell activation and healthy cell replication.\*
- ✓ Arabinogalactans promote natural killer cell and macrophage activation.\*
- ✓ A healthy immune system can also counter the negative effects of free radicals that are produced in the body in response to stress, pollutants, toxins and from normal cellular processes.\*

#### G.I. Tract and Colon Health

- ✓ Arabinogalactans work in the GI tract by activating immune cells.\*
- ✓ Arabinogalactans support colon health by acting as a fermentable fiber to promote growth of probiotic bacteria such as Lactobacillus and Bifidobacteria in the colon.\*
- ✓ Arabinogalactans contribute to healthy microflora levels that are important for GI tract health.\*
