

## GREEN TEA-70™

### SUPPORTS PROPER IMMUNE SYSTEM FUNCTION\*

#### 70% EGCG PER CAPSULE

>> EGCG has been shown to support cholesterol levels within normal ranges.\* EGCG is an important nutrient that is also recommended for proper joint support, intestinal health and weight management.\*

- ✓ Green Tea is a water soluble free radical scavenger that is 100 times more effective than Vitamin C and 25 times better than Vitamin E.\*
- ✓ Green Tea (*Camellia sinensis*) which is an excellent source of potent polyphenols (bioflavonoids with powerful antioxidant properties)\*. The four primary polyphenols in Green Tea are epicatechin, epicatechin gallate, epigallocatechin and epigallocatechin-3-gallate (EGCG). Research has identified EGCG as the most active agent in Green Tea.
- ✓ **Green Tea-70™** is a unique formula because it contains the highest percentage of EGCG currently on the market.\* Each 500 mg capsule of **Green Tea-70™** is standardized to contain 70% or 350 mg of EGCG per 500 mg capsule. Most competitors only provide 35 to 40% EGCG.

#### EGCG is an important nutrient that supports:

- ✓ Immune system function\*
  - ✓ Cardiovascular health\*
  - ✓ Skin health\*
  - ✓ Joint comfort\*
  - ✓ Intestinal health\*
  - ✓ Liver function\*
  - ✓ Weight management\*
  - ✓ Periodontal health\*
  - ✓ Respiratory health\*
- 
- ✓ EGCG supports liver health as well normal detoxification and elimination functions.\* Green Tea may increase the activity of free radical scavengers and detoxifying enzymes within the small intestine, liver and lungs.\*
  - ✓ EGCG helps to support cholesterol levels within normal ranges and balances the ratios of HDL and LDL cholesterol.\*
  - ✓ Research demonstrates that EGCG supports white blood cells like B-Cells and T-Cells, which are responsible for antibody production and assisting the adaptive immune system response.\*

- ✓ EGCG is shown to support skin health by recycling aged cells and supporting new cell growth.\* It offers support against the free radicals that attack collagen (the skin's structural protein) and decreases the activity of the enzyme that breaks down collagen to help keep skin firm and healthy.\*
- ✓ EGCG may support metabolism due to its thermogenic effect and helps to maintain normal blood insulin levels.\* EGCG supports the burning of fats and helps promote a normal appetite, which helps to support weight loss and weight management.\*

#### Supplement Facts

Serving Size 1 Capsule

Servings Per Container 60

Amount per Serving

% Daily Value \*

Green Tea (*Camellia sinensis* L.) Leaf Extract 500 mg  
Yielding: Epigallo-catechin-3-gallate 350 mg

\*Daily Value not established.

Other ingredients: vegetable cellulose (capsule), microcrystalline cellulose.

**Warning:** If you are pregnant or nursing, consult your health care practitioner before taking this product.

**Suggested Use:** As a dietary supplement, take 1 capsule, once or twice daily.
