

CURCUMIN C3 COMPLEX[®]

FREE-RADICAL SUPPORT*
500 MG EXTRACT

- >> *MADE WITH NON-GMO INGREDIENTS
- >> GLUTEN FREE & VEGETARIAN

Our **Curcumin C3 Complex[®]** an herbal supplement to support proper liver and gall bladder function.* Turmeric, a flavoring spice rich in Curcumin, has liver protective, detoxifying and free radical scavenging properties.*

Turmeric (*Curcuma longa*):

- ✓ Protection against free radical damage and unwanted substances in the liver.*
- ✓ Proper gallbladder function*
- ✓ Digestive functions*
- ✓ Maintenance of cholesterol levels within normal ranges*
- ✓ Circulation and blood vessel health*
- ✓ Used in Ayurvedic medicine as a cleansing herb for the whole body and in Chinese medicine to support liver, gallbladder, digestive, and circulatory health.*
- ✓ Today it is known to be useful in situations in which high levels of free radical scavenging support are necessary.*
- ✓ The volatile oils in Turmeric support joint comfort and bile production, which supports better fat digestion.*
- ✓ Turmeric supports intestinal flora and the mucus membranes of the body, including those of the digestive tract, which is important after a course of antibiotics and for those with dysbiosis (unbalanced intestinal flora).*
- ✓ Turmeric supports absorption and metabolism, has a soothing effect on the mucosa of the gut and helps protect the stomach against excess acid.*
- ✓ Curcumin supports production of B and T cells which is useful for supporting proper immune system function.*
- ✓ Curcumin also supports production of bile as well as enzymes that digest sugars and fats to help maintain blood cholesterol levels within normal ranges.*
- ✓ The active ingredients in turmeric are thought to be its volatile oil and various curcuminoids, especially curcumin. Our Turmeric is standardized to yield 475 mg (95% Curcumin per capsule.
- ✓ Turmeric has GRAS (Generally Recognized As Safe) status in the U.S. as a food product.
