» VEGETARIAN

Superior Oranges™ is a delicious energy drink mix to support endurance and cognitive function.* Green Coffee Bean extract provides natural caffeic and chlorogenic acids to support energy levels without the negative effects associated with caffeinated beverages.* DMG, Taurine, Inositol and White *Panax ginseng* further enhance this fast-acting formula. **Superior Oranges™** is a smart and delicious way to start your morning.

✓ **Superior Oranges™** is a great tasting combination of fresh fruits and vegetables blended with an energizing array of fatigue-fighting nutrients.* Green Coffee Bean extract provides natural caffeic and chlorogenic acids to support energy levels without the negative effects associated with caffeinated beverages. DMG, taurine, Inositol and White *Panax ginseng* further enhance this fast-acting formula. Available in a 60 serving container.

✓ **Superior Oranges™** contains nutrients and phytonutrients that support:

- » Physical performance*
- » Glucose metabolism*
- » Fat metabolism*
- » Brain function & mental alertness*
- » Oxygen utilization*
- » Cardiovascular function*

Orange fruits and vegetables:

- ✓ Orange fruits and vegetables provide sustainable energy due to the powerful combination of natural sugars and carbohydrates, protein and fiber.
- ✓ A proprietary fruit blend of oranges, peaches, nectarines, tangerines, cantaloupe, pineapple, clementines, papaya, apricot, mango, kumquat and pesimmons are provided in each serving.
- ✓ A proprietary vegetable blend of yams, pumpkin, carrots, butternut squash and rutabaga are provided in each serving.

Nutrients of Interest:

✓ Green Coffee Bean Extract:

- » Provides powerful free radical scavenging activity.*
- » Helps regulate the body's metabolism.*
- » Increases stamina by stimulating the production of cortisone and adrenaline.*
- » Helps the body burn a higher proportion of lipids to carbohydrates, which can help reduce muscle fatigue.*
- » Contains chlorogenic and caffeic acids- 2 powerful polyphenols.
- » Caffeic acid provides a safe energy boost while being naturally low in caffeine.*
- » Chlorogenic acid helps to slow the release of glucose into the bloodstream after a meal.*

• White *Panax ginseng*:

- » Is an adaptogenic herb
- » Helps the adrenal glands better manage the production, storage, secretion and elimination of stress hormones, allowing the body to conserve the nutrients that would otherwise be used to create energy.*
- » Improves how the body burns sugar.*

• Taurine and Inositol:

- » Taurine is an amino acid that your body naturally produces. It's a free radical scavenger that helps regulate heartbeat and muscle and energy levels.*
- » Inositol is part of the B vitamin complex and is closely related to choline and biotin.
- » Inositol helps the body use fat as fuel and helps muscles contract more efficiently.*

✓ N,N, Dimethylglycine:

- » A multi-patented supplement to support circulation, cardiovascular function, muscle recovery and endurance.*
- » An adaptogen and metabolic enhancer that supports physical and mental performance, oxygen utilization, circulation, glucose and fat metabolism as well as mental alertness and brain function.*

✓ Fibersol®-2:

- » A source of soluble fiber that significantly supports glucose and lipid control.*
- » Balanced glucose metabolism, supports balanced energy production in the body.*
